

Position: Junior Level Field Forester

Location: Chestertown, New York Area

Responsibilities: Primary responsibilities will focus on field forestry operations. These duties will include inventories, timber marking, logging supervision, etc. Some out of town work, primarily inventory work, may be required.

Requirements: We are seeking highly motivated individuals with the ability to work well in a team environment and on their own. A forestry degree and experience in northern hardwood is a must. Good written and verbal communication skills are required. Experience with Microsoft Office products (i.e. Excel, Word, etc) is a plus.

Salary: Salary is commensurate with experience and education.

Duration of Position Opening: Until positions are filled
